EQV (UK) Ltd, The Mill House, Dovecote Court, Potters Marston, Leicestershire, LE9 3JR

AutoCAD 2008 2D Foundation (3 Day)

Business Benefit

It is intended for those who require the knowledge and skills as a user (by using "hands on" exercises) to enable basic 2-D drawings to be created efficiently. Any previous computer knowledge is useful but not essential for this course.

Who Should Attend?

Anyone needing to know how to create 2d Drawings.

Learning Objectives

By the end of this course you will be able to...

- Understand the Screens
- Understand the Menus
- Create New drawings using templates
- Draw to exact coordinates and specifics
- Search For drawings
- Add text and symbols to drawings

Course Content

- Introduce Windows and use Windows Explorer for project file manipulation.
- Enter / Exit AutoCAD's Graphical User Interface (GUI).
- Use various command selection methods including context sensitive and icon menus.
- Open multiple drawings, browse and search.
- Create new drawings from an existing template.
- Control screen display; including zoom, pan and aerial views.
- Draw, edit and modify various geometric shapes (not all commands).
- Draw to exact coordinate points using various construction aids.
- Generate and modify text including automatically to drawing scale.
- Create and insert symbol blocks.
- Cross-hatch and solid fill areas.

Max 6 people

The EQV Promise

We ensure that our courses are well received and are delivered by trainers that have actual commercial competency in their chosen subject.

Not only is this essential for our accreditation purposes but it ensures that the trainers will be able to include relevant experiences they themselves have learnt from. This generates appropriate engagement and empathy in the training environment.

When the course is completed we will report back to you about how the training has been received and can indeed evaluate the training right from start to finish after the skills transfer period. This information can come from your account manager who is your main point of contact at all times.

The EQV Experience

Our training courses take the attendee on a journey of learning and development. Throughout the course everyone is engaged in a stimulating and participative way.

Our courses are designed to encompass many different kind of learning activities making sure they appeal to different natural styles of learning that individuals have.

Activities may include a selection of syndicate work, discussion, pair work, case studies, games, role play, quizzes and presentations.

During the event an individual works on their own implementation plan so that they have a clear plan of how they are going to support their own skills transfer back in the workplace. Whilst it is important for the attendees to enjoy the workshop we want to ensure they apply as much as possible back in the workplace.

Our Training Centre

Set in the heart of beautiful rolling Leicestershire countryside, our idyllic training facilities not only provide attendees with the perfect environment to concentrate on their individual learning experience but also provide the practicality of ample parking and fully designed and equipped training rooms.

You will be greeted upon arrival by our training coordinator who is your point of contact throughout the day should have any specific queries.

A delicious buffet lunch is provided catering for a variety of dietary needs.

What Delegates Say about this course

"Good and informative"

"I found the course was pitched at the right level for my abilities"

"Excellent"
